

Eureka Lemon Olive Oil

Whole Fruit Fused (Agrumato) Method

Fused with UP Certified Arbequina EVOO

Our Eureka Lemon olive oil is produced by pressing whole, fresh lemons together with late harvest olives at the time of crush. Its light, refreshing flavor is just perfect to sauté shrimp or scallops or to drizzle on chicken or fish. Citrus oil is great on salads, in marinades and for baking.

Pairs amazingly with the dark Blueberry, dark Raspberry or white Jalapeno balsamic condimentos.
