

# Strawberry Basil Bruschetta

## INGREDIENTS

2 cups diced fresh strawberries  
1/2 cup sliced fresh basil leaves  
2 tbsp. strawberry balsamic vinegar

1/2 tbsp. basil olive oil  
1/2 tsp. ground black pepper

1/8 tsp. salt  
1 baguette, sliced & toasted

## METHOD

Mix everything except baguette (not even sure how you'd work that) in a medium mixing bowl. For best results, mix it up early in the day and allow to sit out for a few hours, so that the berries can soak up the flavors.

Slice up baguette and toast slices under broiler before serving
